Describe the event or action that is the subject of your concern or complaint:
(If Stillwater Public School personnel are involved, indicate their names and positions.)

The Stillwater, Oklahoma, Board of Education is allowing biological boys to use restrooms
and locker rooms designated for biological girls. This is blatant discrimination against
biological girls who wish to use the restroom of their sex in the privacy and safety
that a restroom should provide, without the fear and discomfort brought on by
biological males being present. I demand an immediate and total reversal of this policy.

If the complaint is about the administration or other aspects of a federal program (Title I, II, III, VII or other federal program administered by Stillwater Public Schools), please identify the program: _____

Enter the month, day and year that the event or action described above occurred: Fall 2021, Spring 2022 Semesters
